

Strathroy Dance Club Payment Plans

This year we are rolling out new payment guidelines that are going to be the same for all dance families enrolled at SDC whether you are a recreational dancer or a competition dancer. To streamline this for registration this year we are including a breakdown for everyone to see.

Moving forward all dance payments will be made at quarterly set dates from Registration to December 1st. How you make the payments through the time in between each payment is up to you, as long as the proper amounts are in on time by all the set forth dates. Each of the payments required would be 25% of the invoice amount. Please note that you may pay earlier than the required due dates as long as the set-out amounts follow below.

1st Payment is due by September 1st and equals 25% of the invoice total.

2nd Payment is due by October 1st and equals 50% of the invoice.

3rd Payment is due by November 1st and equals 75% of the invoice.

4th and Final Payment is due by December 1st and equals 100% of the invoice.

The Performance fee will be just worked into the invoice or if you have more than one dancer it will be worked into one of the invoices.

The Volunteer & Fundraising deposit of \$100.00 is on top of the payments. This can be done either by a post date check or an e transfer. Once you have completed your commitment to both you will receive the money back or the check will be destroyed by June 1st.

This year if payments are not received by the due dates the child(ren) will not be permitted to dance in any classes until the account is up to date. In order to be fair and transparent, there will be no exceptions to these minimum payment amount or dates.
